DETAILED ACTION

Information Disclosure Statement

- The Information Disclosure statement(s) and related documents that were filed on April 13, 2004 have been considered.

Reasons for Allowance

- The allowed claims are 1-20.
- The following is a statement of reasons for the indication of allowable subject matter:

The prior art does not show a laid-down protruding piece bending from the end in the width direction of the outer plate of the body to reverse in the width direction in combination with all the other elements of the claim and the examiner knows of no permissible motivation to combine the prior art such that the subject matter as a whole would have been obvious at the time the invention was made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
